NOTICE OF TERMINATION; LIMITED THREAT GENERAL WASTE DISCHARGE REQUIREMENTS ORDER R5-2013-0073-007, CITY OF WEST SACRAMENTO, YOLO COUNTY

The City of West Sacramento has received coverage under the Phase II Small MS4 General Permit No. 2013-0001-DWQ. This coverage extends to discharges from water storage tank pressure testing, pump/pipeline testing, and fire hydrant/pipeline flushing from the Bryte Bend filtration plant. On 12 December 2016, the City of West Sacramento requested termination under the Central Valley Water Board's Limited Threat General Waste Discharge Requirements Order R5-2013-0073-01 for the City of West Sacramento.

Except for purposes of enforcement, coverage under Limited Threat General Order R5-2013-0073-007 (WDID No. 5A57NP00007) is hereby terminated as of 12 December 2016 through this letter. Please note that you must still submit your last quarterly monitoring report required under the Limited Threat General Order to the Compliance/Enforcement staff. Failure to do so subjects you to mandatory minimum penalties or discretionary penalties.
